

Choose

The Piper FoodSafe™ Difference

Piper's Combi Has More Beneficial Features:

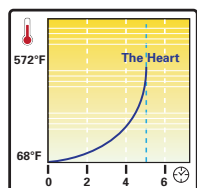

- ✓ Energy savings
- ✓ Less water consumption in the cooking process
- ✓ Ease of cleaning

Liquid crystal display (LCD) and "Touch Screen" technology.

Programmability of 400 cooking programs (15 cycles each) with displayed recipe name. (X Controls)

Reduced Energy Consumption

Patented heat transmission system leads to faster temperature rise, better oven performance with lower consumption of energy and water.

Double-opening Door Handle

Facilitates opening even when your hands are full.

Easy Cleaning System

Quick connector for easy activation, cleaning and hygiene certainty.

Retractable Shower and Shut off Valve

Automatic retraction of hose with closing tap for better accessibility.

Better Cavity Lighting

Built-in light between the door and heat shield allows for easy accessibility, better cavity lighting, great sight merchandising and a cleaner look.

External Socket For Meat Probes

For using both standard and needle type probes. The socket is located on the outside of the unit allowing for the probe to be installed or removed without being burned.

Pays for itself over time!

Cleaning Comparison vs. Rational

Type	Soft		Hard	
	Rational	Piper	Rational	Piper
Water	54 Quarts	54 Quarts	67.95 Quarts	76 Quarts
Detergent	2 tablets	2.6 Quarts	6 tablets	4.8 Quarts
Rinse Agent	1 tablet	-	1 tablet	-
Time	1hr 47 min	23 min	3hr 34 min	43 min
Result	Poor	Good	Good	Excellent
Detergent Cost	\$3.18	\$1.94	\$7.00	\$3.89
