

**“LIDS OFF OPERATION” DURING
PEAK SERVING TIMES FOR UP
TO TWO HOURS.**

ICE-60

This Ice Cream Freezer unit offers you the latest design innovation in freezers. Designed for “lids-off” use on tray make-up lines and for back-of-the-house as well as serving operations, this unique system has a frost-free compartment where the product is held at 0 degrees Fahrenheit serving temperature, even in high ambience.

This unit is designed to operate for three hours with the lids off, making access easy and fast for tray lines and for self-serving.

STANDARD FEATURES

- ◆ Seamless, molded FRP body with smooth exterior and rounded corners
- ◆ 16-gauge stainless steel top with fully welded square turndowns on all sides
- ◆ Enclosed base
- ◆ Removable lids with lid locks
- ◆ Removable louvered panels to access compressor
- ◆ Condensing unit on slide-out rails for ease of service
- ◆ Stainless steel liner with plastic barrier strips around top
- ◆ Stainless steel cold well drain
- ◆ Fully insulated
- ◆ Anti-condensate heater in top keeps top from “sweating”
- ◆ Automatic defrost
- ◆ 4” diameter swivel plate casters with brakes
- ◆ Interlocking mechanism is provided to interlock with other Reflections units

LIMITED WARRANTY: PIPER PRODUCTS warrants to the original purchaser parts and labor for a period of twelve (12) months from the date of purchase. See manufacturer's complete warranty for details.

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
