Getting Your Blades Resharpended is as Easy as 1-2-3

1. Pack or wrap blades and discs in individual boxes or heavy paper in a shipping box with a list of the blades or discs being sent in for sharpening and the contact person for payment and any questions.

2. Ship* via UPS, Fedex, or USPS Priority Mail to:

Diamond Sharp Cutlery Service
Blade Resharpending Department
513 Mercury Lane
Brea, California 92821

Phone (714) 990-9402

*Diamond Sharp suggests adding insurance up to the replacement cost of the blades/discs included.

3. Diamond Sharp will expertly sharpen each blade within 3 business days of receipt, and will contact you for payment and shipping information (if not already specified or in our system), and will repack and ship your finished blades to your specified location.

Remember that Diamond Sharp fully guarantees the quality of our resharpending work. Please contact us immediately if you have any questions or concerns at 1-800-400-6414
