

JOB _____ ITEM # _____ QTY # _____

R3-HT

Perfect for holding pizza or other hot entrees, the Hot Top unit will hold your hot food at just the right serving temperature. The versatile modular design allows you either a cafeteria or a buffet unit to fit your line-up. Reflections units are compatible and will interlock with other Reflections units.

STANDARD FEATURES

- ◆ Seamless, molded FRP body with smooth exterior and rounded corners
- ◆ 14-gauge stainless steel top with fully welded square turndowns on all sides
- ◆ Enclosed base
- ◆ An insulated heat blanket is securely mounted to the underside of the top.
- ◆ Surface temperature is controlled by an infinite control with pilot light
- ◆ 4" diameter swivel plate casters with brakes
- ◆ Interlocking mechanism is provided to interlock with other Reflections units

LIMITED WARRANTY: PIPER PRODUCTS warrants to the original purchaser parts and labor for a period of twelve (12) months from the date of purchase. See manufacturer's complete warranty for details.

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
