These Mechanically Refrigerated Hot/Cold Drop-in units can be used in your fabricated counter tops with the greatest of ease.

STANDARD FEATURES

- ◆ 14-gauge stainless steel top with a feathered down edge on all sides
- ◆ Well is fabricated of 20-gauge stainless steel and is 7-1/2" deep
- ◆ Well is insulated with 1" thick fiberglass around sides and 2" thick fiberglass on bottom
- ◆ A 1" drain is built into the bottom of the well with shut-off valve
- ◆ Well is completely enclosed in a galvanized sheet housing, attached to framework

ELECTRICAL

- ◆ Power supply is 120V-60-1, 120V/208V, 120V/240V dual voltages to operate refrigeration unit and heaters
- ◆ A 2" x 4" junction box is provided for field wiring. These units are mounted in all metal fixtures

REFRIGERATION SYSTEM

- ◆ Coils are mounted on sides and ends of cold pan
- ◆ 1/3 horsepower fan cooled condensing unit

HEATER ASSEMBLY

- ◆ Unit has two 1000 watt elements on a 3-well unit, three 1000 watt elements on a 4-well unit, four 1000 watt elements on a 5-well unit and five 1000 watt elements on a 6-well unit
- ◆ All heating elements are installed under bottom of the well

Ice Cooled and Mechanically Refrigerated/Ice Cooled units are designed to be used with ice. Mechanical refrigeration is added to retard the melting of the ice. This unit has NOT been performance tested for the storage of potentially hazardous foods.

COMMON OPTION

- ◆ Adaptor bars

WARRANTY

- ◆ One year parts and labor. Warranty is detailed on inside front cover of the price list.

LIMITED WARRANTY: PIPER PRODUCTS warrants to the original purchaser parts and labor for a period of twelve (12) months from the date of purchase. See manufacturer's complete warranty for details.

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
