

UW66-18
Shown with optional
vertical corner bumpers

Pipers's Universal Wide Angle Guide Rack Series UW, is one of the most versatile types available for the storage and transport of various size pans. The all-welded, exclusively designed guides in this Series require no adjustment or removal in order to handle any depth food pans.

Series UW aluminum universal, wide angle guide racks to accommodate 18" x 26" sheet pans, 20" x 26" baking pans and 12" x 20" food pans.

FRAME

The vertical uprights and the top and bottom cross bracing are 2" x 1" x 1/8" thick extruded aluminum channels, welded to form a rigid frame. Caster support channels are 1-7/8" x 4" x 1/8" thick extruded aluminum, welded to the upright channels.

GUIDES

The guides are two level 1-3/8" x 1" x 7/8" x 4" x .125" thick extruded aluminum, with all corners chamfered and deburred. Guides are welded to the upright channels on 3-1/8" centers.

TIE ROD

Each model has 1/2" diameter aluminum tie rods welded to the front channel uprights for extra rigidity.

CASTERS

The units are mounted on four 5" diameter, heavy duty, swivel casters.

LIMITED WARRANTY: PIPER PRODUCTS warrants to the original purchaser parts and labor for a period of twelve (12) months from the date of purchase. See manufacturer's complete warranty for details.

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
